Assessment and Accountability

New:

Test Participation

Test participation is an important part of accountability determinations and performance data validity. Please work with building leaders to plan for successful test administrations by:

- Monitoring test participation within each assessment's administrative platform.
- Communicating regularly with School Assessment Coordinators (SACs) to support participation, for example, scheduling makeup sessions when needed.
- Scheduling testing early in the test window to ensure time for makeup testing or other unforeseen circumstances.

[NCEO Resource on Participation in Statewide Assessments](#)

The National Center on Educational Outcomes (NCEO) has developed a tool kit that identifies and describes reasons why all students, including students with disabilities, English learners, and English learners with disabilities should participate in state tests.

LEAs and school administrators can use this tool as a guide when communicating with educators, families, and students about why it is so important that students participate in state assessments. This resource contains materials that LEAs as well as IEP Teams can use when making state test participation decisions for all students.

Test Participation and Accountability

The Office of Educational Accountability (OEA) would like to provide districts and schools with some reminders on the impact of test participation on state and federal accountability. Please see below for more information.

[Federal Accountability \(ESSA\)](#)

ESSA requires Academic Achievement calculations to be based upon the greater of 95% of students enrolled for the full academic year or the actual number of students tested. Hence, schools that have student groups with lower than a 95% test participation rate have their scores reduced. Wisconsin's ESSA system applies this requirement by adjusting the denominator of the points-based proficiency rate calculation to the 95% tested level for schools testing below the required 95% rate.

For example, if a middle school serving students in grades 6-8 had 100 full academic year students, but only 90 of these students participated in state assessments, the school's points-based proficiency rate is calculated by dividing the number of points by 95 (minimum participation required by ESSA) rather than 90 (the actual number of students tested). This results in a lowered achievement score for that school.

State Accountability

DPI publishes school and district test participation on school and district report cards for informational purposes only. That is, test participation has no impact on report card scoring. This rule has been effective since the 2016-17 report cards. Please note that a minimum two years of 20 full academic year tested students are required to generate a report card score.

If you have questions about accountability, please [contact OEA](#).

District Assessment Coordinator (DAC) Confidentiality Agreement Due March 1

All DACs who have not yet completed the 2023-24 [DAC Confidentiality Agreement](#) should do so no later than March 1. The form may be completed and signed electronically using Acrobat Reader. Be sure to select the appropriate options on the ACT agreement prior to signing. The entire seven-page document needs to be submitted to OEA once signed. All other confidentiality forms (SACs, DTCs, STCs, etc.) remain individual forms, may be completed electronically, and once completed are to be retained at the school/district level.

ACCESS for ELLs

New:

Data Validation Window

The pre-reporting Data Validation window will be open February 21-29. Please plan to check that student names and IDs are correct and ensure that Writing booklets for grades 1-3 were properly matched to the online test sessions. DRC will send an email with data validation instructions on February 14, and you may also participate in the training hosted in the [WIDA Secure Portal](#) prior to that time.

Reminders:

Materials

To track testing materials sent to DRC, go to the WIDA AMS under Report Delivery > Test Results and choose the Report option called 'Secure Materials Tracking Reports' to see what DRC has received from your district and what is still outstanding. All materials should be on their way back to DRC by February 9.

ACT

New:

Test Materials Shipping

ACT will begin shipping materials for Test Window 1 the week of February 12 and will continue to ship materials based on the shipping date selected in PearsonAccess^{next} (PAnext). Instructions on how to track your shipment can be found in the [PearsonAccess^{next} User Guide](#) under the View Status and Shipment Information section. Once materials have been received, follow the instructions outlined on page 27 of the [Test Coordinator Information Manual](#) to check in and secure your test materials. Run the [Accommodations and Supports Roster](#) in PAnext to obtain a list of students with approved accommodations and required materials. If you are missing materials, please reach out to ACT immediately.

Note: District and school staff including athletic coaches who have relatives testing on state test days should not have access to secure materials prior to test day. For additional information on testing staff requirements, please see the [Test Coordinator Information Manual](#).

MyACT Non-Testing Activities

MyACT materials will arrive with your test materials shipment. Distribute one copy of the [Taking the ACT Test](#) booklet and an individualized [MyACT Non-Test Instructions](#) to students. Students must register and complete their MyACT account set-up no later than two days post testing. Resources to assist students with completing their MyACT account can be found on the [Wisconsin ACT Website, Step 4 - Preparation, Complete Non-Test Activities](#).

Reminders:

Newly Enrolled Students

ACT will automatically send testing materials and barcode labels for all students listed on your roster by January 31. To enroll students after January 31, follow the steps outlined under the **Add or Remove Student** section of the [PearsonAccess^{next} User Guide](#). **Newly enrolled students will not automatically receive testing materials.** You must manually place an order for test materials within the PearsonAccess^{next} site. Instructions for ordering additional test materials are outlined in the PearsonAccess^{next} User Guide, within the **Requirements for Additional Materials Order** section.

PreACT Secure

New:

Accessibility Supports

Schools can now begin to enter accessibility supports for the PreACT Secure. Accommodation and English learner supports are entered directly into PearsonAccess^{next} (PANext) and do not require prior approval from ACT. Instructions on how to enter supports can be found in the [PreACT Secure Online Administration Manual - Testing with Accessibility Supports](#) (p. 8). Please keep in mind the following when entering supports:

- All accommodated testing is administered online except for Braille, Large Print, and Human Reader's Script. Change these students' delivery format to paper testing.
- Accommodations **must** be entered before assigning a student to a test session.
- Accommodations may be entered individually or as a group by import/export (new 2024).

Additional resources can be found under [Step 3 - Accommodation of the Wisconsin PreACT Secure webpage](#).

Reminder:

Student Preparation and Sample Test

A paper practice test for the PreACT Secure is now available on the [Wisconsin PreACT Secure webpage](#), (Step 4). It is available as a PDF that can be printed and distributed for students to become familiar with the content, format, and testing procedures of the assessment. An online version of the practice test is still in development and is expected to be released in late February. Districts can still use the ACT online practice test to familiarize students with TestNav.

DLM

Reminder:

Test Preparation Steps to be Completed by February 23

In order to prepare for the spring administration of the DLM, districts should complete the following four critical tasks by February 23.

- Create teacher user accounts and ensure security agreements have been accepted
- Complete teacher training
- Roster students
- Complete First Contact Surveys and Personal Needs and Preference Profiles

Contact [Mike Peacy](#) with any questions related to the DLM and preparation for the 2024 administration.

Forward Exam

New:

Forward Educator Involvement Opportunities

DPI is still recruiting a diverse group of educators from all over Wisconsin (including English learner and special education teachers) to participate in three separate Forward Exam Educator Involvement Opportunities: Rangefinding, Standard Setting, and New Item Review. These events are all important steps in the development and scoring of the Forward Exam. This is a great opportunity to be a part of the Forward Exam development and scoring, have detailed input on the exam, and take knowledge back to your district about the processes. More information about each opportunity, including how to apply, is available on the [Forward Exam Educators Involvement webpage](#). **Please share this information with the educators in your district.**

DPI English Language Arts (ELA) Office Hours

DPI English Language Arts Consultant, Bianca Williams-Griffin, alongside her literacy and assessment colleagues will be available to answer questions about the ELA writing standards and to discuss the new short write tasks on the Forward Exam during office hours on Mondays from 3:30-4:20 pm and Tuesdays from 9:00-9:50 am, beginning the week of February 12. To join the Office Hours, please use this [Office hours webinar session Zoom link](#). **Please share this information with the educators in your district.**

Reminder:

DRAFT ELA Short Write Task Rubric Now Available

DRC has released the grade 3 DRAFT rubrics for the ELA short write tasks. Once finalized there will be grade-level rubrics for each writing mode. This DRAFT rubric will provide educators with information about how the short write tasks will be scored. The rubrics are based on W3 in the ELA writing standards for each grade. Rubrics will not be finalized until after the [ELA Rangefinding meeting](#) which will occur in April. Finalized grade-level rubrics will not be released until late summer or early fall. The DRAFT rubric is available on the [Forward Exam Resources webpage](#). Short write task FAQs on the [Forward Exam Frequently Asked Questions webpage](#).

Student Data Upload

The student data submitted to DRC on January 25 will be available for users to view and edit on March 4. Please ensure that any corrections made to the data in the DRC INSIGHT Portal are also reflected in the district's Student Information System (SIS). The student demographic data file that is used to upload multiple student accessibility features during the Optional Add Accessibility Features Window will be available for download on February 12.

Optional Add Accessibility Features Window Begins February 12

During this optional window (February 12-23), districts may use the Multiple Student Upload process to upload designated supports and accommodations for multiple students at one time into the DRC INSIGHT Portal. This two-week **optional** window is the only time this method of uploading accessibility features is available. As a reminder, Text-to-Speech is now a Universal Support for all students and does not need to be assigned in the Portal. If you choose not to take advantage of the window, you may still enter supports and accommodations into the DRC INSIGHT Portal on an individual student or “mass assign” basis as needed, beginning March 4. Instructions for all three processes are available in the [DRC INSIGHT Portal Guide](#).

NAEP and International Assessments

(for schools selected to participate in 2023-24 assessments only)

Reminder:

NAEP Assessment Window Extended

NAEP School Coordinators should complete all Assessment Planning Tasks in the [NAEP Assessment Management System \(AMS\)](#) before the school’s test date. NAEP field staff will follow up with individual schools to provide support in completing remaining tasks. DACs can review the progress of most of the tasks in the NAEP AMS but will not have full access to all the tasks unless they are also designated as the School Coordinator. Please contact [Angela Dugas](#) if there are any questions.

See the [NAEP webpage](#) for grade levels and content areas assessed, dates, additional information, and resources. Contact [Angela Dugas](#) with any questions. If there are issues with the [NAEP AMS](#), please contact the NAEP Help Desk at NAEPHelp@westat.com or (800) 283-6237. To reset your password for the NAEP AMS, click "Learn more about how to log in" and then click "Forgot password".
