Student Detail

- **Click on a portion of the graph to get a detail list of students that fit that criteria.**

Student Profile: screenshots

- **Click on a student in the student detail to get to the student profile.**

- **The student profile contains everything related to the academic history of that student.**
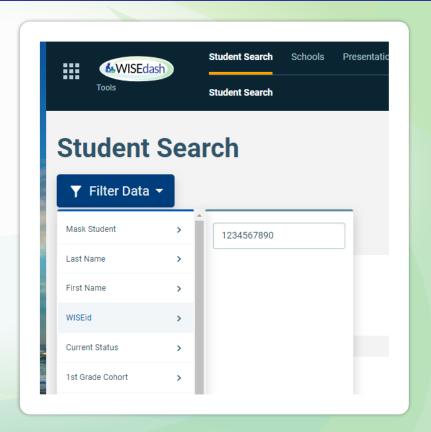

Student Profile

- You can only see the student profile if you were given access by your district administrator to view student detail.

- AND, your school/district is the K12 institution the student either attended or was accountable to.
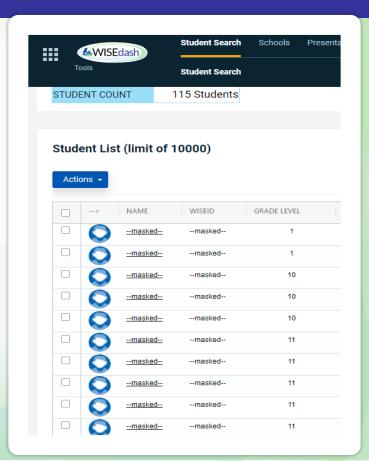

Student Search: filter

- **Student search found under Tools -> Student Search**

- **Search by a number of filters but most popular by Name or WISEid**

- **Find current students and past students that either has last attended your district or was last accountable to your district.**

Student Search

- **A student list matching search criteria is displayed similar to the drill-down detailed screen shown.**

- **Similar to the metric detail, use this screen to create cohorts or drill down to the student's student profile.**
