

# SAVE THE DATES!

9TH ANNUAL

# WISEdata Conference

**March 5-7, 2024**

Kalahari Convention Center, Wisconsin Dells, WI

## Purpose

The conference will present attendees with a better understanding of state and federal reporting requirements, including any updates and changes for the 2024-25 school year, as well as provide information related to new features and functionality in WISE applications.

*Please note: March 5 is the half day Pre-conference watch for announcements if you're a vendor or interested in participating on one of the Advisory Committees. March 6-7 are full days that will include all WISE related sessions and networking with vendors and peers.*

## Who Should Attend

Education professionals with responsibility for collecting, maintaining or using data for continuous improvement planning, reporting, or data privacy and security at any level within the school district.
