## Event Description

Under Every Student Succeeds Act (ESSA), the number of students who may take the alternate assessment is limited to no more than 1 percent of the total of all students in the state who are assessed in a given subject. States are required to seek a waiver of this cap if anticipated that the state will exceed the 1 percent cap. The department anticipates the cap will be exceeded for the 2017-18 school year and is requesting a waiver from the Secretary of the U.S. Department of Education. The department is seeking public input as part of this process.

Written comments may be submitted to Carl Bryan at the Department of Public Instruction, 125 South Webster Street, P.O. Box 7841, Madison, WI 53707-7841, or by e-mail to [Carl.Bryan@dpi.wi.gov](mailto:Carl.Bryan@dpi.wi.gov) . Written comments on the proposed waiver received no later than November 12, 2017, will be given the same consideration as testimony presented at the hearing.
