

## Uploading Affirmation Forms in WISEgrants

Last Updated 6/17/2020

## Introduction

LEAs with private schools residing within their boundaries must upload acceptable Private School Affirmation Forms for all private schools prior to accessing their ESEA and ESSER Grant Applications. Forms are acceptable when all questions are answered and when they have been signed and dated by both public and private school officials. Blank forms can be found here: <u>ESEA</u> and <u>CARES</u>, or downloaded from WISEgrants.

## **Toggling on the Private School Affirmation Privilege**

Users must have the Private School Affirmation privileges toggled on in order to upload affirmations. There are separate affirmation privileges for ESEA and for CARES. WISEgrants Administrators can assign the privileges to themselves as well as regular WISEgrants users from their LEA. Follow the steps below to toggle on the affirmation privilege.
