

STATE *of* WISCONSIN
DEPARTMENT *of* PUBLIC INSTRUCTION

Proclamation

Whereas, the National School Lunch Program plays an important role in helping to ensure every child in the nation is ready to learn, because a hungry or undernourished child is less likely to be an eager and attentive student; and

Whereas, the National School Lunch Program has a demonstrated commitment to our children's health and well-being serving nutritious meals balanced for vitamins and calories and supports healthy eating patterns; and

Whereas, in Wisconsin, 2,381 public and private schools participate in the National School Lunch Program and serve over 472,500 lunches each school day; and

Whereas, the success of this effort is due largely to resourceful and creative local food service administrators, managers, and staff working in cooperation with parents, teachers, community groups, government personnel, and students;

Therefore, be it resolved that, I, Carolyn Stanford Taylor, State Superintendent of Public Instruction, declare October 12-16, 2020, National School Lunch Week, a time to celebrate the importance of a program helping keep students nourished, so they can learn.

National School Lunch Week

Now Playing: School Lunch!

October 12-16, 2020
