Student Registration
CAPITAL SCIENCE & ENGINEERING FAIR
Madison, WI

Name of Student: _____ Grade: _____

Student Home Address: _____

Student Email: _____

Name of High School (indicate if home-schooled): _____

Sponsoring Teacher/Adult: _____ Sponsor Email: _____

Project Title: _____

_____

Circle the category that closely matches your project. For details see:
https://www.societyforscience.org/isef/categories-and-subcategories/

Animal Sciences	Earth and Environmental Sciences	Microbiology
Behavioral and Social Sciences	Embedded Systems	Physics and Astronomy
Biochemistry	Energy: Sustainable Materials & design	Plant Sciences
Biomedical and Health Sciences	Engineering Technology: Statics & Dynamics	
Biomedical Engineering	Environmental Engineering	Robotics and Intelligent Machines
Cellular and Molecular Biology	Materials Science	Systems Software
Chemistry	Mathematics	Technology Enhances the Arts
Computational Biology and Bioinformatics		Translational Medical Science

CSEF is affiliated with ISEF (https://www.societyforscience.org/isef/) and must adhere to their safety and ethics rules. As a result, all projects involving any of the following items require approval by a Scientific Review Committee (SRC) or an Institutional Review Board (IRB).

Indicate whether your project has used any of the following and submit appropriate forms. Use the guidelines and forms found at: https://www.societyforscience.org/isef/forms/

_____ Human subjects
_____ Vertebrate animals
_____ Potentially hazardous biological agents (i.e., microorganisms, blood, rDNA, etc.)
_____ Hazardous chemicals, activities/devices (i.e., alcohol, tobacco, firearms, radiation, etc.)

Please note that all projects require AT LEAST safety forms **1, 1A, and 1B**. Forms 1C and 2 are also needed if research is performed in an institutional setting.
Safety forms are due by February 10, of the year of the fair.

_____

All forms must be scanned and submitted as a single pdf file via email to: CSEF.Madison@gmail.com

Please Zelle a $15 registration fee per student to "608-262-1019." In the case of a team project, each student should register separately and pay the $15 registration fee.
