Traumatic Brain Injury Resource Information Kits Contents

The Traumatic Brain Injury Resource Kit is a stand-alone traveling library designed to help educators meet the educational needs of students with brain injury. The kit contains a wealth of information to help understand the effects of brain injury on children's learning and behavior. There are also numerous resources for parents. Each TBI Resource Kit is available to any school district for temporary loan from their CESA. The TBI Resource Kit can be obtained by contacting your CESA-Based TBI Consultant.
