

Context

In the Wisconsin DPI SEL Competency Guide, the competencies are mapped and crosswalked with the CASEL domains, in order to easily align with districts' focus of the three state SEL competencies (**Emotional Development, Self-Concept, and Social Competence**). Below, Panorama student SEL competencies are crosswalked with both the CASEL domains and DPI SEL competencies. Our hope is that this crosswalk allows for you to identify the competencies that are most important to you.

CASEL Domain	DPI Competency	Panorama Competency
Self - Management	Emotional Development, Self-Concept	Self - Management, Grit
Self - Awareness	Emotional Development, Self-Concept	Self-Efficacy, Growth Mindset
Responsible Decision - Making	Social Competence	Self - Management, Social Awareness, Emotion Regulation
Social Awareness	Emotional Development, Self - Concept, Social Competence	Social Awareness, Emotion Regulation
Relationship Skills	Social Competence	Social-Perspective-Taking

Panorama and CASEL Domains
