Robotics League Participation Grants 2022-23 Annual Report

Introduction

In accordance with Wis. Stat. section 115.45, the Department of Public Instruction submits this final report for the Robotics League Participation grants program for the 2022-23 school year for referral to the appropriate standing committees of the legislature.

Under the program, eligible teams of pupils in grades 6-12 from school districts, charter schools, private schools, and home-based private education programs may submit one application per eligible team. This report provides a list of teams that received award letters and overall funding detail.

If you have any questions regarding this report, please contact Kevyn Radcliffe, Legislative Liaison, at (608) 264-6716.

Description

Eligible teams of pupils in grades 6-12 from school districts, charter schools established under Wis. Stat. sections 118.40 (2r) and (2x), private schools, and home-based private education programs may submit one application per eligible team to receive funding under the robotics league participation grants program.

For a variety of reasons, including ongoing pandemic challenges, some school districts and organizations could not spend all or any of their awarded funds. Nevertheless, a greater percentage of the total grants and awarded funds were paid out this year than in recent years.

Table 1 below contains information regarding the number of grants paid relative to the number of grants awarded in the 2022-23 school year.

Table 1. Number of Robotics Grants Paid and Awarded, 2022-23 School Year

Number of Grants Awarded	Number of Grants Paid	Percentage
195	*192	98.5%

* After being awarded, 3 teams declined to submit claims for grant money.

Table 2 below contains further information regarding the total funds paid out relative to the funds available under the grant in the 2022-23 school year. Note, an excess of $734 was awarded due to a clerical error; however, we kept it in place knowing that not all funds would be requested in the end.

Table 2. Total Grant Funds Paid, 2022-23 School Year

Total Fund Amount	Total Grant Funds Paid Out	Percentage
Approved for $500,000 Awarded $500,734	$433,941.32	86.7%

In total, the Department of Public Instruction received $680,345 worth of grant funding requests. As outlined in statutory language, the maximum possible award per team is $5,000. If the requests from applications approved exceeds the amount of funding ($500,000), the department will prorate the amount it awards to each applicant. This prorated formulation was necessary in 2022-23; therefore, each approved application was awarded 73.6% of every dollar requested, resulting in $3,679 being awarded of every $5,000 requested.

The pages that follow list the total amount of state funds obligated per team receiving a grant under the robotics league participation grants program, as well as the school district, school, or organization from which the team originates and whether it was a new team for the 2022-23 fiscal year or not (i.e., new in relation to the previous year, though they may have applied in farther back years).

Individual Robotics Grants Awarded, 2022-23 School Year

Agency Name	District/School/ Organization	Total Amount of State Funds Obligated	DPI Grant Name	Team Status
Alma School District	Alma School District	$972.00	2023 Robotics League Participation-Alma School District-Eagle Robotics	New team
Appleton Area School District	Appleton Area School District	$3,679.00	2023 Robotics League Participation-Appleton School District- New Apple Corps Robotics	New team
Aquinas Catholic Schools	Aquinas Catholic Schools, Inc., Aquinas High School	$3,679.00	2023 Robotics League Participation-Aquinas High School-Pi Rhobotics 4011	Existing team
Arrowhead Union High School	Arrowhead Union High School	$3,679.00	2023 Robotics League Participation-Arrowhead Union HS – Cyberhawks	Existing team
Ashley K-12 Robotics	Ashley Robotics, Trempealeau County Robotics	$3,679.00	2023 Robotics League Participation-Ashley-Trempealeau County Robotics	New team
BadgerBOTS Robotics Corporation	BadgerBOTS Robotics Corporation	$3,679.00	2023 Robotics League Participation-BadgerBOTS Robotics Corporation-BadgerBOTS 1306	Existing team
BadgerBOTS Robotics Corporation	BadgerBOTS Robotics Corporation	$3,679.00	2023 Robotics League Participation-BadgerBOTS Robotics Corporation-Attack Hamster	New team
BadgerBOTS Robotics Corporation	BadgerBOTS Robotics Corporation	$3,679.00	2023 Robotics League Participation-BadgerBOTS Robotics Corporation-Mr. Cod	Existing team
Bay Robotics Charity	Bay Robotics	$2,546.00	2023 Robotics League Participation-Bay Robotics Charity – Bay Robotics	Existing team
